

ReNew your goals to thrive with money & live with intent!

You may know where God is leading you, but are you are taking the right steps that will lead you to the right choices, which will allow you to achieve His desired results? Your old choices got you where you are, only new choices can get you where you want to go. The right goals with the right questions and faithful process will create the positive, renewing force you need to shake and loosen your poor habits, static activities and undesirable lifestyle choices. It is in that opposing struggle, where you will find the answers waiting for you. It's time to thrive with money, live with intent and be renewed!

- **REVEAL** - Ask God to reveal the right questions about every prayerful goal and write down your answers. You will rarely get the right answer without first asking the right question. $2+2=4$. Change a 2 to a 3 and the answer changes to 5. Ask the right question, get the right answer. Then put the answer into motion as you follow God as He reveals your path one step at a time.

- **EXAMINE** - Let God to help you examine the items on your list that need to be addressed first and foremost. Be diligent to choose only the goals that are critical and avoid making too many goals at once. Maybe He wants you to start with those issues or situations that are barriers to your relationship with Him and His plan for you. Ask Him in prayer for the goals that will bring Him the most Glory. God wants you - alive, faithful, impactful and open and available to His direction.

- **NEW GOALS** - Pray and ask God to reveal your goals to you. I know you've made a list like this before, but you will use this list differently this year. Don't edit them, just write them down on paper in your own handwriting. If you are like me, my list of goals often match the areas in my life where God is not being glorified. Your new vision will need new goals and new methods.

- **EXPECT CHALLENGES** - Accomplishing a God-given goal will not be easy, but it will be successful in God's eyes if you stay true to Him and the goal. As you face the little decisions every day that keep your goal moving forward, pray through your shortened list as you get closer to your goals and as you grow closer to Him. It's possible you have never been very successful at making the choices that will make the new you. I've been there. I am there often. There's always something on my list and probably there will always be this side of heaven. You must always remember that God is the God of second, third, fourth and fifth chances. When God is for you, what can stop you?

- **WISE PRAYER** - Take everything and slowly pray through each goal, question and answer, out loud. **THIS IS THE MOST IMPORTANT STEP OF THE PROCESS!** In His Utmost for His Highest, Oswald Chambers writes, "The reason the battle is lost is that I fight it first in the external world. Get alone with God, do battle before Him, and settle the matter once and for all." Give each word to God as you read, pray and listen. Ask God for His Spirit to provide His power and His strength to accomplish these changes in you.

ATTACHED YOU WILL FIND THE ReNew Goal worksheet. There are 14 questions for you to consider about your new goal. It will probably take you about 15 - 20 minutes to complete this for each respective goal. I believe that is a small amount of time to invest, to allow God to produce BIG results in, and through, your life. Get quiet. Get clear. Get going. Blessings to you!
